MEDICAL FAIR INDIA TEAM

Mr. Surajit Bit, Director – Projects, Medical Fair India

Mr. Adarsh Verma, Project Head, Medical Fair India

Mr. Thomas Schlitt, Managing Director, Messe Düsseldorf India Pvt Ltd, said, “We heartily welcome all committee members to this e-meeting and thank them for sparing their valuable time and accepting to be part of this committee. Over many years, MFI has been proven to be a fruitful platform for industry leaders, government officials, trade association and key stakeholders from the medical industry to come together and share ideas. We must continue to be the true and most up-to-date reflection of the medical fair industry showcasing the most cutting edge products and services along with continued dialogues amongst the stakeholders.”

Mr. Rajiv Nath, Chairman, Advisory Committee, Medical Fair India, stated, “I appreciate the efforts put in by the Messe Düsseldorf team for raising the quality of exhibitions, conferences and awards over the years. This has led to more involvement and evolvement of the medical and health care manufacturing industry. Despite various restrictions due to the Covid-19 pandemic, there was quite a good response and participation by medical industry during the Medical Fair India 2020 in Mumbai. We hope to return with a better and bigger 2021 edition in more safe and sound environment.”
